

2018 Harvest Delivery Route

For updated receiving hours please visit the ZFS grain bids page.

Due to road construction projects near our facility, the delivery route to ZFS will be a little different this year. Trucks arriving via I-196 will have to make a right turn on 84th Avenue and proceed north, **past the entrance to ZFS**, and out to Chicago Drive. Turn right on Chicago Drive to Logistic Drive and make another right. Make another right turn onto Empire Drive, which will take you to the back gate of ZFS. Trucks arriving via Chicago Drive from the northeast will have to make a Michigan turn in front of the ZFS administrative office and proceed to Logistic Drive, then east to Empire Drive and the back gate.

Please note, during harvest hours, delivery trucks will not be allowed to enter the facility from 84th Avenue.
